At Day's End

Is anybody happier because you passed this way?
Does anybody remember that you spoke to them today?
The day is almost over and its toiling time is through;
Is there anyone to utter now a kindly word of you?

Can you say tonight in parting with the day that's dipping fast,
That you helped a single person of the many that you passed?
Is a single heart rejoicing over what you did or said;
Does the person whose hopes were fading now with courage
look ahead?

Did you waste the day or lose it?
Was it well or sorely spent?
Did you leave a trail of kindness, or a scar of discontent?
As you close your eyes in slumber, do you think that God
will say
"You have earned one more tomorrow by the work you
did today."

Opportunities to Serve

Teaching Youth To Be Disciples of Jesus. Summer camp is a great tool to teach what it means to be a follower of Jesus Christ. In recent days, we've heard reports of numerous teens making commitments to Jesus while at Bible camp: 13 at Mid-Summer Bible Camp, 30 at Teenage Christian Camp (Knoxville), & 13 at Fall Creek Falls Bible Camp (Chattanooga area churches). When you consider that our brotherhood operates many camps, know that much collective good is done. One elder in the Knoxville metro made a sharp point when he said, "Where could you set up a tent to preach the gospel and get the results that we see in Bible camp? Summer Bible camp is a great mission opportunity." Amazing Race/White Bluff Bible Camp in Centerville begins this Sunday, July 19. Applications are still available in the lobby. Be sure to get your place reserved.

Be the Best of Whatever You Are

If you can't be a pine on the top of the hill
Be a scrub in the valley - but be
The best little scrub by the side of the rill;
Be a bush if you can't be a tree.

If you can't be a bush be a bit of the grass,
And some highway some happier make;
If you can't be a muskie then just be a bass -
But the liveliest bass in the lake!

We can't all be captains, we've got to be crew,
There's something for all of us here.
There's big work to do and there's lesser to do,
And the task we must do is near.

If you can't be a highway then just be a trail,
If you can't be the sun be a star.
It isn't by size that you win or you fail -
Be the best of whatever you are!
